

A::react

```
graph LR; A[A::react] --> B[boost::statechart::simple_state< A, InvalidChartTest, B >::discard_event];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'A::react'. The right box is white with a black border and contains three lines of C++ code: 'boost::statechart::', 'simple_state< A, InvalidChart', and 'Test, B >::discard_event'.

```
boost::statechart::  
simple_state< A, InvalidChart  
Test, B >::discard_event
```
