

A::A

```
graph LR; A[A::A] --> B[boost::statechart::simple_state< A, InvalidChart Test, B >::triggering_event];
```

The diagram consists of two rectangular boxes. The left box is shaded gray and contains the text 'A::A'. A blue arrow points from the right side of this box to the left side of a larger, white box on the right. The white box has a black border and contains three lines of text: 'boost::statechart::', 'simple\_state< A, InvalidChart', and 'Test, B >::triggering\_event'.

boost::statechart::  
simple\_state< A, InvalidChart  
Test, B >::triggering\_event
