

A::react

```
graph LR; A[A::react] --> B[boost::statechart::simple_state< A, InvalidChartTest, B >::defer_event];
```

The diagram consists of two rectangular boxes. The left box is shaded gray and contains the text 'A::react'. A blue arrow points from the right side of this box to the left side of a larger, white box on the right. The white box contains three lines of C++ code: 'boost::statechart::', 'simple\_state< A, InvalidChart', and 'Test, B >::defer\_event'.

```
boost::statechart::  
simple_state< A, InvalidChart  
Test, B >::defer_event
```
