

StateCastTest::AssertInState

test\_main

```
graph LR; test_main --> StateCastTest::AssertInState
```

The diagram illustrates a function call. A box on the right labeled 'test\_main' has a blue arrow pointing to a box on the left labeled 'StateCastTest::AssertInState'. The 'StateCastTest::AssertInState' box is shaded gray, while the 'test\_main' box is white. Both boxes have a black border.
