

```
boost::statechart::  
detail::history_key  
::make_history_key
```

A diagram illustrating a transformation of a C++ qualified name. On the left, a gray rectangular box contains the text 'boost::statechart::detail::history_key::make_history_key'. A blue arrow points from this box to a white rectangular box on the right. The white box contains the text 'boost::statechart::detail::history_key::history_key', where the final '::make_history_key' has been replaced by '::history_key'.

```
boost::statechart::  
detail::history_key  
::history_key
```
